

Worcester 12th Mo-13th 1841-

Dear friends,

Herewith are \$5. for the Liberty Bell. I wish we could send two or three times as much, but we are few and feeble, indeed - We shall have a few articles for the Fair enough only to cover but a little place on a table, and, altho' we should like to be with you at the time of the Fair, there is but little prospect at present, that any of us will attend from this place - There are but six or seven of us A. S. women when we are all together, and it has been many months since we have been able to hold a meeting formally because there have not been five present - Only think of it! - when there are eighty names, ~~about~~ on our books - "See it not in Boston." If the men of Worcester are doing any A. S. work I do not know of it.

There has been nothing done here about petitions, and I have no courage to think any thing will be done in that way -

Believe me ever willing to do what I can for
the cause P. S. H. Carl
